Experience

YMCA of Boulder Valley / Basketball Coach/Referee

June 2018 - Present, Boulder

- I work with children K-8th grade to help improve skills on the basketball court and help make sure they are surrounded by good sportsmanship and positivity.

Vice President of Interact Club

August 2015 - May 2017

- In high school, I participated in a volunteer organization called interact. In the organization, we held fundraisers to advance both our local and international projects. One International projects I organized (successfully) was raising \$3,000 to build a school in the Philippines.
